This is a program created to help children learn and develop the skills of basketball, while emphasizing good sportsmanship, team play, and FUN. The program will consist of eight 1-hour sessions. The first three sessions will introduce skills and how the game is played. The last five sessions will continue emphasis on skills through competitions and scrimmages.

There will be up to nine players per team and up to eighteen players per full court. Scrimmages will be 4 on 4. There will be combined equal gender and grade level girls' and boys' teams.

**Space is limited due to gym availability; a total of 126 participants. A waiting list may apply.** Team coaches will provide you other pertinent information. Following each session the participant is encouraged to attend the home varsity basketball game that evening.

**Note:** For more information or if you are interested in volunteering to coach, contact Neal Fox at 651-982-8902, [nfox@forestlake.k12.mn.us](mailto:nfox@forestlake.k12.mn.us) or check bottom of the attached registration form.
